CA196 HTC CATEGORY 6 U/UTP Cca Cable

Replaced by CA202 CAT6 U/UTP B2ca

PRODUCT INFORMATION

As part of continuous product and system enhancement HellermannTyton Connectivity with immediate effect will be superceding the Cca EuroClass CAT6 U/UTP Cable with B2ca EuroClass.

Therefore with immediate effect cable CA196 – CAT6 U/UTP Cca 305m Reelex is discontinued and no longer available.

Replacement cable is CA202 – CAT6 U/UTP B2ca 305m Reelex and is available now.

CA196 – CAT6 U/UTP Cca – 305m Reelex

REASON

- Part of continuous product and service enhancement
- Whilst Cca EuroClass cables satisfy BS6701 standards offering a B2ca EuroClass cable exceeds these standards and meets the needs for installations that specify a B2ca requirement.
